Administrator Qualifications	MET
Assistant Teacher Qualifications	MET
Collaboration	MET
License/License Exempt Status	MET
Teacher Qualifications	MET

* Score includes credit given for meeting Emerging Criteria. Please note that even if your program scored 100% or better on a particular Program Standard, there still may be topic areas reported for ongoing improvements. This can occur because Emerging Criteria are given extra credit when scoring. Therefore, there could be unmet criteria in a particular topic area although the credit given for meeting the emerging criteria raised the Program Standard score to 100% or more
